

ADRsportRED announces the appointment of Minister Chalifour Scherrer and Minister Stan Keyes

The ADRsportRED Program was pleased to learn of the recent appointments of Chalifour Scherrer as Minister of Canadian Heritage and Stan Keyes as Minister of State (Sport). Under their guidance, and with their commitment and enthusiasm, Canadian amateur sport is sure to reach new heights of excellence.

We also take the opportunity to express our gratitude to their predecessors, Sheila Copps and Paul DeVillers, for the significant contributions they made to Canadian sport.

Because of Ms. Copps and Mr. DeVillers' unstinting efforts, the new ministers will now be able to lead the sport community on to further success and more innovations such as ADRsportRED.

The ADRsportRED Program is a unique, national program that is helping to prevent and resolve disputes within the Canadian sport system. For more information on the ADRsportRED Programs products and services, please visit www.adrsportred.ca.

Congratulations and thank you!
